

AMARPAL

Angular Developer | TypeScript | JavaScript | RxJs | HTML | CSS | PrimeNG | REST APIs | AI Integration

Address: Gurgaon, Haryana, India

Phone: +91 9971989713

Email: amarpalkumar1991@gmail.com

LinkedIn: <https://www.linkedin.com/in/amarpalkumar9971989713/>

Total Experience: 8+ Years | Frontend Development Experience: 4+ Years

Professional Summary

Angular Developer with 8+ years of IT experience, including 4+ years in frontend development specializing in Angular (8–17). Experienced in building enterprise-scale web applications for logistics and finance domains using Angular, TypeScript, RxJS, PrimeNG, AI Chat Integration, and REST APIs. Skilled in Angular migration, reusable component development, dashboard creation, API integration, and UI modernization with a strong focus on performance and maintainability.

Technical Skills

Frontend Technologies: Angular (8–17), React, JavaScript (ES6+), TypeScript, HTML5, CSS3, SCSS, Bootstrap

UI Libraries: PrimeNG, Angular Material

State Management: Angular Services, RxJs

Backend & APIs: REST APIs, Django REST Framework (DRF), JSON, XML

Testing: Playwright, Unit Testing (Basic)

Databases: MySQL, MongoDB

Development Tools: Visual Studio Code (VS Code), Sublime Text, Antigravity

Version Control: Git, GitHub, Bitbucket

Cloud & Hosting: Firebase, AWS S3

Operating Systems: Windows, Linux, Ubuntu

Claude Certification: Claude 101, Claude Code 101, Claude Code in Action

Professional Experience

Purple Drone Supply Chain Pvt. Ltd. – Angular Developer

Gurgaon, Haryana | March 2025 – Present

- Working on the Fulfillzy logistics platform, developing modules for vendor onboarding, order management, shipment tracking, and operational dashboards.
- Successfully migrated a legacy application from Angular 12 to Angular 17, improving performance and maintainability.
- Improved application UI/UX by redesigning multiple modules using PrimeNG components.

- Redesigned major modules including Vendor Onboarding, Dashboard, TrackMe, and My Orders.
- Developed modern UI using PrimeNG and responsive design.
- Refactored legacy code and removed unused components to improve performance.
- Integrated REST APIs for order management and logistics workflows.
- Developed dashboards and charts for operational data visualization.
- Collaborated with backend developers to optimize API payload structures.

HostBooks Limited – Frontend Developer

Gurgaon, Haryana | July 2022 – Jan 2025

- Developed data-driven applications using Angular and TypeScript.
- Built reusable and scalable UI components.
- Created interactive dashboards and data visualization charts.
- Developed a data preparation tool similar to Tableau Prep Builder.
- Integrated third-party APIs including Shopify, Hotellogix, and Canara Spring.
- Implemented APIs using Django REST Framework.

ASSCP BHEL – IT Specialist

Gurgaon, Haryana | Aug 2017 – Mar 2022

- Managed IT infrastructure and network systems.
- Provided technical support for hardware, software, and networking issues.
- Installed and configured servers, workstations, and network devices.
- Led ERP system implementation and backend infrastructure setup.

Key Projects

Fulfillzy Logistics Platform

Upgraded and modernized the logistics management web application. Redesigned UI using PrimeNG and implemented dashboards, API integrations, and performance optimization.

Data Preparation Tool (HostBooks)

Developed a data transformation tool similar to Tableau Prep Builder for processing and visualizing complex datasets.

Education

MCA – MDU Rohtak (2016)

BCA – MDU Rohtak (2013)

12th – BSEH Haryana (2010)

10th – BSEH Haryana (2008)
